**CORRECTION OF NOTICE OF NON-COMPLIANT AMENDMENT (37 C.F.R. §1.121)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Date: November 13, 2003

Sir:

It is respectfully requested that the attached corrected sections of the non-compliant amendment be recorded in the U.S. Patent and Trademark Office. The Notice of Non-Compliant Amendment dated November 6, 2003 indicated that the amendment previously filed on October 29, 2003 in the above-identified application was unacceptable for recordation because the "Amendments to the claims" section was merged within the "Amendments to the specification" section. We submit herewith both corrected sections of the non-compliant amendment. Note that only the corrected sections of the non-compliant amendment must be resubmitted, in its entirety, as outlined under 37 CFR § 1.121(h).

Since Applicant has responded within one month from the date of the Notice, no additional fees should be required. However, if deemed necessary, the Commissioner is authorized to charge any additional fees to Deposit Account No. 25-0120.

Respectfully submitted,  
YOUNG & THOMPSON
